## 1940 RELEASE

### **CHARLES F. HOSER—Formal Score 85C East Lansing**

Blooms 8x4 inches facing on long stiff stems. Pale to light greenish yellow suffused mallow pink. Flowering habit excellent. Habit of growth tall, bushy, vigorous. Health excellent. Substance good. Much like Jersey Beauty in type and habit. This beautiful new Certificate dahlia will be a grand addition to your collection of high class dahlias. It has been a sensation in my garden and I am sure it will take its place well up among the leaders at the future shows. This dahlia has been grown entirely from roots, never having been placed on the propagating bench. However I am growing plants from it this spring.

**Strong Divisions \$10.00 Net.**

**Single Plants 5.00 Net.**

**Three Plants for 12.00 Net.**
